Chief, Protected Resource Division
525 NE Oregon Street
Suite 500
Portland OR 97232

Dear Chief:

People For Puget Sound submitted comments to you on March 31 concerning the proposed "depleted" listing under the Marine Mammal Protection Act for the Southern Resident community of orca whales. Those comments were submitted on behalf of People For Puget Sound, Orca Network, Friends of the San Juans and the Animal Protection Institute.

Two additional groups have signed on to those comments and, in spite of the fact that the deadline has passed, we would much appreciate it if their names were added:

Thank you very much.
